Danube south, old Rhine to north,

Pour their waters unrelenting,

In the ocean forth and forth. And we follow thus our rivers, Led by freedom's love so strong; For the Emperor Barbarossa's Mountain slumber wears too long; But to save our noble birthland, With the freeman's mighty sword. We shall cross again the ocean, Once more to redeem our word.

When again old Barbarossa Outsteps from his mountain's might. He will call his far off soldiers, For the last and holiest fight, With the black, red, golden standard, On the shore he will us meer, Answering-our star spangled banners From our masts the hero greet.

KNOW NOTHINGS IN BROOKLYN .- One of the Know Nothing societies in Brooklyn have published a series of resolutions declaring that the Grand Council had adopted resolutions endeavoring to coerce the members to vote for particular candidates, and requiring the members to confess, under oath, how they voted. The following are some of the resolutions passed:

"Resolved, That we repudiate and condemn the aforementioned action of the Grand Council as anti-American, antirepublican, and the most unwarrantable, abominable and dangerous assumption of despotic power ever attempted in this Republic: in its confessional, penance, and threats of excommunication, only equalled by the Holy Inquisition of Spain, and only worthy of the Grand Council of Cardinals at Rome.

"Resolved, That any American assenting or yielding obedience to such degrading whenever the organs to be acted upon are free and inquisitorial requisitions, inherits from malformation or strictural diseases it is averred not the spirit of his revolutionary sires, and is unworthy the name of a son of '76, and descends to the level of an ignorant papist.

"Resolved, That we recommend our brethren to pause and calmly reflect, before they aid in centralizing so danger-ous a power in the hands of a body, who, however pure they may now be, may, at some future time, be composed of unprincipled men, who, regardless of the pub-lic interests, will wield it for their own personal aggrandizement."

INVIGORATING CORDIAL A PHENOMENON IN MEDICINE LIEALTH RESTORED AND LIFE LENGTHENED, by

DR. MORSE'S INVIGORATING MUIXIR OR CORDIAL.—At first the proper-ties attributed to Prof. MORSE'S INVIGORATING ELIXIR OR CORDIAL were deemed fabulous. The public often deceived, could not believe the simple and sublime truths announced by the discoverer .-Bu, facts, undeniable facts attested by witnesses of the highest class and cheracter, are now triumphing over all doubts. INCREDULITY IS OVER-HROWN by a mass of testimony which is perfectly

tresistable.
The ELIZIE remedies, in all cases, the deplorable will arising from a misuse or abuse of the various regans which make up the worderful machine called nan. It restores to full vigor every delicate func-tion connected with that mysterious compound agency of matter and mind, necessary to the repre-luction of human life. To persons of feeble muscu-iar frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher aental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, he siling wife, the listless, ernewated youth, the verworn man of business, the victim of nervous depression, the individual suffering from general de-uility, or from the weakness of a single organ, will all find immediate and permanent relief from the see of this incomparable renovator. To those who have a predisposition to paralysis it will prove emplete and unfailing safeguard against that terrile malady. There are many, perhaps, who have so ided with their constitutions, that they think remselves beyond the reach of medicine. Let not ren these despair. The Elixir deals with disease as exists, without reference to causes, and will not ly remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION. The derangements of the system, leading to ner ous diseases, and the forms of nervous disease italf, are so numerous that it would require a column a snumerate the maladies for which this preparaation is a specific. A few, however, may be enumeated, vis: neuralgis, tic dolereaux, headache, incipent paralysis, hysteris, palpitation of the heart, spinal affections, muscular debility, tremers, flatulance,
a pricking sensation in the flesh, numbness, torpidby of the liver, mental depression, weakness of the vill, indisposition to move, faintness after exercise, broken sleep an I terrifying dreams, inability to remain in one place or position, weakness of the pro-reative organs, sexual incompetency, melancholy, monomania, fluor albus, s nking at the stomach, fe-male irregularities, a chronic tendency to miscar-riage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes beyond the reach of medicine.

MORSE'S INVIGORATING ELIXER will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard of reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerves or motion and sensation is

COMPOUND FLUID EXTRACT OF BEECH DROP

Or, Cancer Root. CELEBRATED REMEDY FOR CAN-CER, ULCERATED SORE THROAT. WHITE SWELLING, BRONCHI-

TIS, DROPSY, AND ALL DISEASES ARISING FROM THE IMPURITY OF THE BLOOD. Prepared by J. L. KIDWELL, Chemist, George-

town, D. C. The estimate that is now accorded this preparation by the medical profession and by others competent to judge of its merits, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Scotland, by whom it has been successfully used in a career of an aggravated character.

The proprieter has been forced to make more extensive arrangements to meet the rapidly increasing demand for Basch Drop.

VINCENNES, INDIANA, Oct. 3, 1854. J. L. Kidwell-Dear Sir: Some three months ago, through the agency of Col Smith Miller, our representation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Bottles of Beech Drop or Cancer Preparation. I have a letter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the disease is arrested. I may add that my father has tried every physician of dis-tinction in Scotland and England, including Profes sors of Edinburg and Collleges, without relief. The disease was of three years standing, began in the right cheek, which is partially consumed. He was a sufferer with constant pain, which has entirely

This case will give your preparation a popularity in Britain which no other medicine has. Direct to William Dick, Esq, Collydean, by Leslie Scotland, in care of Messrs. Penfoed, Clay & Co., Druggists, N. York, who will forward it. JAMES DICK.

Mr. Flint is a man of great influence in his county, and will with pleasure communicate with any one in reference to his case. OALLAWAY COUNTY, MISSOURI, July 13th, 1854

Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured a haif dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afficted with Scrotula in any form to use it. Enclosed you will find an order from some friends

for the preparation. Very truly, JNO. C. FLINT. For sale by Druggiste and Dealers in Medicines in Washington, Alexandria, and Baltimore. oet 14-d3m
